

The Standard Remedy in Countless Homes

Relieves Constipation Easily
Without Gripping or
Discomfort.

Indigestion and constipation are two conditions that are closely related and the cause of much physical suffering.

The tendency to indulge one's appetite is more or less general and most people suffer at one time or another from rebellion of the overtaxed organs of digestion and elimination. A pleasantly effective remedy, that will quickly relieve the congestion of poisonous stomach waste and restore regularity, is the compound of simple laxative herbs sold in drug stores for fifty cents a bottle under the name of Dr. Caldwell's Syrup Pepsin. This is a mild, pleasant laxative tonic, free from opiates or narcotic drugs, and has been the standard household remedy in thousands of homes for many years.

Mrs. Oliver Young, Merrill, Wis., writing to Dr. Caldwell, says she knows of nothing so effective for regulating the stomach and bowels; since taking Dr. Caldwell's Syrup Pepsin she feels ten years younger; her work seems easier and she has regained her appetite.

PENDLETON SOCIETY

The fortnightly club was delightfully entertained by Mrs. Eugene Sifton, at her charming home in Aultun. Mrs. Sifton, though a very young matron, has a ready ease of manner, and a happy cordiality in welcoming her guests that is most attractive. She was assisted by her daughter, the Misses McPhail and Miss Williamson. The most amusing feature of a very pleasant afternoon was the drawing of prizes, which were numbered, and the identity of each proclaimed. Great excitement ensued, vanity had a heavy fall. It was a painful shock to find that some could be recognized. Salad sandwiches and coffee were served.

It is always with regret that we see a pleasant family move away from our town, but it is more than regret that I feel when I write that Mr. and Mrs. Sanders are soon to make their home in Anderson. Apart from the fact that they have made warm friends in Anderson, who will miss them from the social and business life of the town, will enter a distinct loss by the departure of this cultivated and interesting couple. Their home was always a place to visit. Mrs. Sanders has always a sweet and gracious interest. Mr. Sanders has been a member of the school for years, not in name only, but a genuine trustee on work and interest in the welfare and progress of the school. The monthly reception of the School Improvement Association will take place Tuesday evening, November 23. The teachers will entertain, which means that a very delightful time is assured to all.

DELIGHTFUL BANQUET AT ST. JOHN'S CHURCH

BOYS WERE SERVED DELICIOUS TURKEY SUPPER
LAST NIGHT

GUESTS PRESENT

Included Number of Church Leaders Who Made Encouraging Speeches to Young Men.

The annual banquet of the boys of St. John's Methodist church and Sunday school was held at the church last evening at 7 o'clock and was a great success. A delicious turkey supper had been prepared and it was one of the best ever had in Anderson.

Rev. J. W. Speake, pastor, acted as toastmaster and after the boys had finished supper, he called on several of the young men to make speeches. Several responded and their talks were full of spirit and enthusiasm for the Sunday school.

Among the guests of the young men were Rev. T. C. O'Dell, Messrs. R. S. Ligon, B. B. Bleckley, O. M. Heard, W. J. Brown, John Owen, E. P. Valentine and Rev. W. C. Kirkland. These gentlemen made short talks and encouraged the young men to attend Sunday school.

After the speeches cheers were given for the church leaders and its leaders. The affair closed about 10 o'clock when those present stood and sang several familiar songs.

This is the second annual banquet of this kind and judging from the success of the one last evening, the enthusiasm among the boys at St. John's is growing rapidly. The meeting causes the boys to have a kindred feeling and does much to create closer fellowship among them.

AT THE THEATRES

"The Prince of Elfen."
"The Prince of Elfen," the popular comedy, claimed to be the most successful entertainment of its class shown in recent years, will be seen at the Anderson November 23. There are more than a score of song hits in this remarkable extravaganza of "Vivley and Lucretia" and each of them has held an enduring grasp upon public favor. "The Song of the Claret" is one of the most popular of the musical numbers. "The Message of the Violet," "The Tale of the Sea Shell," "The Star Song" with its chorus of "Hollerberg students" and "Pictures in Smoke" are other big song hits that are largely contributive to the emphatic success of this musical play. One of the chief reasons for the extraordinary sustained interest in this production lies in the fact that it has never been allowed to deteriorate but has been maintained at the highest standard of excellence. The performance this season is said to be keyed up to the standard which is accepted as the final word in theatrical production.

British Balkan Leader

General Bryan Mahon.

General Bryan Mahon is now in command of the British forces which are going to the aid of the Serbians. The trip of Earl Kitchener there may mean that he will be superseded. At this time, however, he is struggling to get his troops to the front to help the Serbians withstand the attacks of the Bulgarians in the south.

Got the Leavings.

A new minister in a rural district who wished to make the acquaintance of the members of his congregation and also to discover whether they are pleased with his discourses, met an old farmer who had attended the church the previous Sunday, and stopping him, said:

"Mr. Brown, how did you like my sermon last Sunday?"
"Well, parson," replied the old man, "you see, I didn't have a fair chance to judge. Right in front of me was old Miss Smith and the rest of that gang with their mouths wide open just a swallerin' down all the best of your sermon; 'n what reached me, parson, was purty poor stuff, purty poor stuff."—Pittsburgh Chronicle-Telegraph.

LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use the Old-time Sage Tea and Sulphur and Nobody will Know.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

We are recommending our 10-1-0 and 10-2-0 and 10-2-1/2-0 for wheat and oats this fall when you sow it.

This will give it stalk and grains in the head, and that it what you want in grain. If you will sow five acres in wheat and five in oats this fall, after preparing the land well and fertilizing it well with either of these goods, you will find it advantageous. The 10-2-1-0 is an especially fine goods for grain. Let us hear from you.
